About Beagle Computers, Inc.

Bill Prus founder.

Beagle Computers, Inc. has been designed to meet the daily needs of the many medical, dental, and other business offices from the small business to the fortune 500 companies. Beagle Computers, Inc. was founded by Bill Prus who has established a thriving business based on quality, timely and fair service to his many long-time customers. Bill has 20 years experience designing and maintaining computers from M.S. Dos through Mainframes. Bill taught CAD and UNIX at Triton College for 10 years before venturing into private service. He is certified to repair UNIX systems like Sun and SGI, and
